

QUEEN - In Only Seven Days

Listen to the song and complete the spaces with the days of the week and the verbs in the past:

the start of my holiday
Freedom for just one week
Feels good to get away ooh

I saw her
Down on the beach
I stood and a while
(past of watch)
And she and at me
(past of look) (past of smile)

I didn't see her
I hoped that she'd be back tomorrow
And then on
My luck had
(past of change)

She stood there all alone
I went and her name

(past of ask)
I never thought that this
Could happen to me

In only seven days
It would take a hundred or more
For memories to fade
I wish would last forever

I held her close to me
I couldn't bear to leave her there
just twenty four hours
Oh no I'm going back home
On
Ooh so sad alone
