

Revision 1

• 27th Sep 2023

Here are some questions to revise some of what we talked about in music today. Remember you can look back at your liveworksheets workbook if you are unsure of anything.

1. What is a GROUND BASS?.
2. What term means lots of notes to one syllable?
3. What is the opposite of this term?
4. What is the term for when a melody is immediately copied in another part?
5. What musical ornament moves quickly and repeatedly between two notes?
6. What is a WALKING BASS?
7. Name the FOUR main voices in a choir from high to low.
8. What voice is in between the two female voices?
9. What voice is in between the two male voices?
10. What instruments would you hear in a SWING BAND?
11. Name THREE characteristics of SWING music.
