CAMPING ON ICE

Ben Taylor makes films about animals. We asked him to describe his favourite filming experience.

Last November, I had to make a film about emperor penguins in Antarctica. I stayed on a boat, but one night I camped outside.

It was very cold. I had to have a very warm sleeping bag and a special tent, but I didn't need to take a torch. November is early summer in Antarctica and it doesn't get dark.

Antarctica isn't quiet at night. You can hear the wind and sometimes you can hear noisy penguins. You can hear the ice too! Ice makes a strange sound when it moves.
