AT YOUR SIDE

When the daylight's gone, and you're on
your own

And you need a friend, just to be around

And I'll pull you through, I will understand
And you'll know that...

I'll be at your side

There's no need to worry

Through the haste and hurry
I'll be at your side, if you feel like you're
alone

And you've nowhere to turn

I'll be at your side

And you cannot find what road to choose
If you make mistakes (make mistakes)
You won't let me down (let me down)
I will still believe (still believe)

I will turn around

And you'll know that

I'll be at your side

There's no need to worry

Together we'll survive

Through the haste and hurry

I'll be at your side

If you feel like you're alone

And you've nowhere to turn

I'll be at your side

I'll be at your side

I'll be at your side

There's no need to worry

Together we'll survive
Through the haste and hurry

I'll be at your side, if you feel like you're
alone

You've got somewhere to go

I'll be at your side

I'll be at your side

I'll be right there for you

(Together we'll survive)

Through the haste and hurry

I'll be at your side, if you feel like you're
alone

'Coz I'm at your side

Yeeeah, I'll be right there for you

I'll be right there for you yeah

I'm right at your side
