September test

Date: .....

Name: .....

1) **Read this story. Number the events in the order they happened.**

My name's Megan. Last month I was at the beach with Peter, Andy and Lucy. Peter was swimming and I was sunbathing. Andy and Lucy were buying an ice cream in a café.

Suddenly we heard a very loud noise. We looked up and we saw this object in the sky. It was very long and it was a sort of green colour. It was moving very slowly.

Peter ran out of the sea. We were looking at the object when it suddenly changed to red. Andy and Lucy came and stood next to us. We were all looking at it. The object changed to blue and it started to move very fast. In a few seconds it was invisible.

We talked to a lot of people on the beach, but they didn't have any explanation.

- ☐ She heard a very loud noise.
- ☐ The object changed to blue.
- ☐ The object disappeared.
- ☐ She saw a long object in the sky.
- ☐ 1 Megan was sunbathing.
- ☐ The object changed to red.
