

Drag and drop the name where belongs

The taskbar contains the following icons from left to right: Start button, Search, Task View, File Explorer, Microsoft Edge, Microsoft Word, Microsoft PowerPoint, Microsoft Teams, OneDrive, and a system tray with icons for Bluetooth, Airplane mode, Network, Volume, ESP, and Time (7:54).

The word bank includes the following items:

- Battery
- Keyboard language
- Airplane mode
- Connecting BLUETOOTH
- WiFi signal
- Search programs
- time and calendar
- Open or anchored programs
- Volume
- Messages
- Taskbar
- Windows Home key

There are several empty colored boxes (yellow, red, green, brown, purple, blue, black) connected to the taskbar icons by blue lines, indicating where the words should be placed.
