11. Read Marta's essay. How many examples does she give of animal cruelty?

ANIMAL CRUELTY by Marta Sánchez

We share our planet with millions of species of animals. Animals are beautiful and intelligent, but people often do terrible things to them. In my opinion, we have to stop cruelty to animals.

Circuses

We love seeing animals like elephants and lions in circuses. They live in small cages, and people often hit the animals if they don't learn quickly. Some people think that the animals don't suffer because they are used to circus life. But I think it's cruel.

Traditions

Sports like bullfighting, fox hunting and dog fighting are popular in a lot of countries. Some people think that bullfighting is exciting, and say that it's fair because bulls are strong and powerful. But I disagree, because the bullfighter chooses to fight, but the bull can't choose.

Animal trafficking

A lot of exotic animals are taken from their natural habitats. People can make a lot of money from animal trafficking. People buy them as pets, or kill them for food, or make products from their bodies such as souvenirs, clothes and medicine.

Glossary

cage = jaula
fox hunting = caza de zorros
fair = justo/a
powerful = poderoso/a
souvenir = recuerdo
