A FIVE-YEAR-OLD DRUMMER

I Travis started to drum on his toys when he was a baby. Today, he is five years old and he drums on real drums. At his age, most kids just play games or watch television. But Travis plays a game for only 15 minutes and then he wants to drum again.

- 5 **II** "I am very proud of him," says his mother, Nicole Jackson. "Travis is very talented. Everyone is amazed at how well he plays the drums. A university in Mississippi even promised to pay for his music education when he finishes high school."

- 10 **III** Every day after kindergarten, Travis meets his sixteen-year-old cousin, Kenya Brooks. Together they play in a band at St. Helena College. Kenya was the person who brought Travis to the band. "The other members of the band are ten years older than he is and they are much bigger, but nobody cares," says Chesterton Frye, the band leader. Frye enjoys having Travis in the band because he always works hard to improve his skills. Frye says, "When the others stop for a snack, Travis continues to drum."
- 15 **IV** Travis' drum teacher believes that Travis has a unique talent. He says, "There are some things I don't teach him because I think they might be too difficult for him. But when we start playing, he just joins in and plays with us. Isn't that amazing? I am sure Travis will be a very successful drummer in the future."
