

# THE CARNIVAL OF THE ANIMALS – 5

## WHO AM I?

- ★ I am very proud and dignified.
- ★ The composer announced my arrival by writing a special fanfare for me. It let everyone know that I was a VIP.
- ★ I like to strut my stuff. I am the leader of the parade.
- ★ I marched along to a fabulous melody the composer wrote especially for me.
- ★ I also like to be noticed so sometimes the composer allows me to growl and roar.
