Hello, I am Julia. My favorite pastime is taking photographs. On my eleventh birthday, my dad gave me a camera and showed me how to take a picture of my birthday cake. It was amazing! Since then, I have been very keen on doing it. I have to go to school every weekday, so I only have time for my hobby at the weekend. I always get up early on Saturday morning, and then I go to the beach to take pictures of beautiful sunrises. After that, I go to the park to take photos of the flowers there. They look fresh in the morning. I only show my photos to my parents, not anyone else.
