MUSIC

Wales is sometimes called 'the land of song'. Music is an important part of Welsh culture. Many pop stars and opera singers come from Wales, like Stereophonics, Tom Jones and Charlotte Church. But the country is especially famous for its male voice choirs. Many boys and men of all ages join choirs. They meet every week to practise. They sing songs in Welsh and in English.

SPORT

People in Wales play many kinds of sport, but the national sport is rugby. Rugby is a very physical sport. In rugby, you can score goals and tries. You score a goal when you kick the ball between the other team's goal posts. You score a try when you put the ball on the ground behind the other team's goal line.
