

Complete the article with indefinite pronouns.

## Dog finds stolen museum treasure

Last Sunday <sup>1</sup> *something* exciting happened to Ellen Adamson. It was snowing in the morning so she didn't do <sup>2</sup> ..... But in the afternoon she wanted to take her dog Buddy <sup>3</sup> ..... nice for a walk. She decided to go to the park near her home.

It was getting dark when she got there and there was <sup>4</sup> ..... else around. Suddenly, her dog saw or smelled <sup>5</sup> ..... strange and started barking.

Ellen couldn't see <sup>6</sup> ..... at first but then she saw <sup>7</sup> ..... under a tree. It was a wooden box with ancient coins, jewellery and statues in it.

The next day Ellen told <sup>8</sup> ..... at the museum about the box. They were very happy when they got their things back. Now <sup>9</sup> ..... can see the objects again. So who was the thief?

<sup>10</sup> ..... knows.
