

ADV 1 – TEST 1

A. COMPLETE THE STORY USING “present or past participle adjectives” COMING FROM THE VERBS IN PARENTHESIS BELOW THE TOPICS.

A Visit to a Dentist

(FRIGHTEN, TERRIFY, OVERWHELM, ANNOY, SATISFY, BORE)

There are some aspects of a visit to the dentist that I really detest: fear, pain, and cost. First of all, it is very _____ (1) to have a dentist appointment because the idea of drills, syringes, and blood inside my mouth make me feel really _____ (2). Additional sensations of pain surround this experience. I have to keep my mouth open for an eternity, and this is really _____ (3). At the end of the day, I have to pay a huge bill and fill out many forms, which make me feel _____ (4). But then I think about the cavities that I might have eliminated, and I feel _____ (5) with the results because the consequences could be worse than the fear, the pain, or the bill that I momentarily face. For sure, a dental appointment is never going to be _____ (6) because I am going to have a lot of action.

A Coffee Break

(TIRE, EXCITE, RELAX, ENTERTAIN, ENERGIZE)

We always work long hours at the factory. The first six hours of labor are very _____ (7), but then, the break time comes, and we are _____ (8) since we have thirty minutes to be _____ (9) while we have some snacks and drinks courtesy of the company. In fact, this is an _____ (10) time to have fun and tell jokes because we can enjoy social interaction. But most importantly, it refreshes our energies so that we can feel _____ (11) enough to return to hard work.
