A 🔘 Listen and practice.

Roger: Do you want to see a movie tonight?

Carol: Hmm. Maybe. What's playing?

Roger: How about the new *Star Trek* film? I hear it's really exciting.
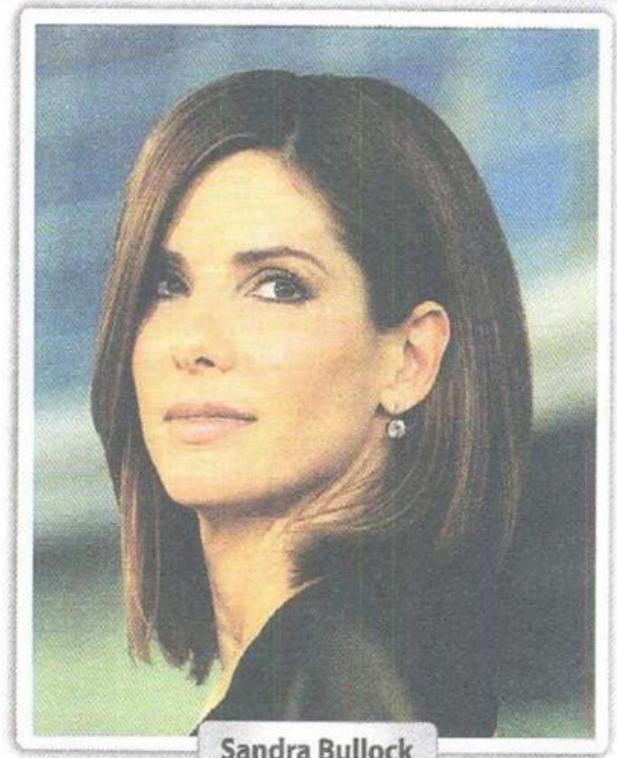

Carol: Actually, the last one was boring.

Roger: What about the movie based on Stephen King's new novel?

Carol: I don't know. His books are usually fascinating, but I don't like horror movies.

Roger: Well, what do you want to see?

Carol: I'm interested in the new Sandra Bullock movie. It looks good.

Roger: That's fine with me. She's a wonderful actress.
