

exponente

The diagram illustrates the components of the exponential equation $3^2 = 9$. The number 3 is labeled as the "base" with a green arrow pointing down to the word "base". The number 2 is labeled as the "exponente" with an orange arrow pointing up to the word "exponente". The number 9 is labeled as the "potencia" with a blue arrow pointing to the word "potencia".

$$3^2 = 9$$
