### Jurassic World

If you are a big fan of the *Jurassic World* movie, you can visit the Jurassic World tourist attraction located at Universal Studios Hollywood in California. It offers visitors a delightful journey back to prehistoric times, allowing us to experience the wonder of dinosaurs in a thrilling and immersive way. As soon as you step into this place, you will feel like you have stepped into a movie. The area includes thrilling attractions such as Jurassic World—The Ride, Raptor Encounter and tropical restaurant Isla Nu-Bar.

When you board Jurassic World-The Ride, you'll enjoy a daring cruise to see life-sized dinosaurs. Keep in mind, this is a water ride so you will most likely get wet. After riding Jurassic World-The Ride, don't forget to check out Jurassic Café at the Isla Nu-bar where you can have a delicious Tropical Roasted Chicken Salad. Another really cool element in Jurassic World is being able to meet Blue, the beloved Velociraptor. She comes out to greet you with a Raptor Handler and this makes for a great photo!
