Conversation: A Mediterranean cruise

Lily: Look at this ad. They're offering a Mediterranean cruise for only \$1,500.

Mia: Really? Which countries does it stop at?

Lily: It leaves from Barcelona in Spain, and it goes to the south of France, Italy, and the Greek Islands.

Mia: How long is the cruise?

Lily: Twelve days.

Mia: That's a bargain.

Lily: And if you pay an extra \$200, you can get a cabin with a sea view.

Mia: That sounds too good to be true.

Lily: Do you want to come?

Mia: I hate those cruise ships. They're too big and too crowded.

If something goes wrong, then what? It's not for me, thanks.

Lily: Well, I'm going to call to find out more information. Cruises are fun. You can relax on the boat and still see a lot of places.
