

Hello there!
I like to walk along the beach and I love
to swim deep in the ocean but all I can
see is Plastic and no fish or seaweed!
We need to work together to help my
home! I mean... the oceans!!
I have long hair and a tail, I mean legs! I
have legs!!
My name is _ _ _ _ _.

Hi,
I'm _ _ _ and this is my brother _ _ _.
We don't have much time, dear. We have
a business to run and money to spend. If
you have any plastic waste you need to
take it to All Waste Inc. and we will make
it disappear!

Who called me here!?
Oh! Hello students...
Would you like all of your dreams to
come true? Then you called the right Sea
Witch!
My name is _ _ _ _ _.
How may I help you?

Howdy! My names is _ _ _ _ and I live on
a boat! I love to sail and to fish. That's
why I am wearing an orange overall and
rubber boots.
Don't tell anyone but the other day,
when I was fishing, I saw a girl in the
middle of the ocean!
I think I saw a mermaid...
