

Steps for pedicure

1. Ask client to take off shoes and socks
2. Soak feet. Put client's feet in soap bath for 5 minutes to soften and clean the feet before you begin the pedicure.
3. Dry feet thoroughly. Make sure you dry between the toes.
4. Remove old polish with cotton balls and acetone.
5. Cut and file toenails
6. Use the foot file to smooth the skin on the heels
7. Push back cuticles
8. Insert toe separators
9. Apply base coat to toenails
10. Apply two coats of polish
11. Apply topcoat
12. Remove toe separators when polish is dry
