

"RACHEL'S REMARKABLE COURAGE"

09 October, 2023

In a town called Ofakim, a lady named Rachel and her husband had a very scary experience. when a group of five heavily armed individuals from a terrorist organization called Hamas barged into their home with lots of weapons.

Even though it was a really bad situation, Rachel stayed calm and did something amazing. Instead of panicking she talked to these bad guys- the terrorists, in their language and gave them food and drinks. She even helped one of them who got hurt. She talked to them, asked about their families, and sang songs with them. She kept them busy for more than 20 hours.

Her bravery and kindness gave enough time for the police to come and stop the bad guys. They saved Rachel and her husband.

Rachel became a hero because of what she did. She showed us how people can be brave when things are really scary.

Answer the following questions:

1. Where did this scary experience happen?
