## FACT 1

Seven surprising facts about NASA in 2012 NASA released a recording of Earth's song which sounds like this. What you're hearing are \_\_\_\_\_ detected by a NASA spacecraft as it flew through Earth's radiation \_\_\_\_\_.

## FACT 2

Due to government regulations, NASA cannot provide its Apollo astronauts with life \_\_\_\_\_. But *Life Magazine* paid a \$100,000 policy for each Apollo astronaut that flew, in return for rights to the personal \_\_\_\_\_. This policy lasted up through Apollo 11.

## FACT 3

Neil Armstrong submitted his astronaut \_\_\_\_\_ two weeks late. Some sources suggest a friend of Neil's slipped his application into the pile for consideration but NASA could not \_\_\_\_\_ this.

## FACT 4

The inventor of the Super Soaker - Lonnie Johnson - was a NASA \_\_\_\_\_ who helped develop the US Air Force's stealth \_\_\_\_\_.

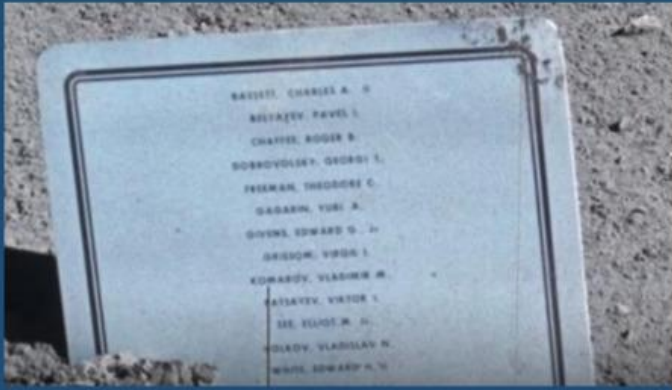

## FACT 5

NASA assembles its giant rockets in the Vehicle Assembly Building which is so massive that it has its own \_\_\_\_\_. NASA employees have reported that rain clouds have formed below the ceiling on very humid days. To keep moisture under control, the building has 10,000 tons of air conditioning equipment - including 125 \_\_\_\_\_ on the roof.

## FACT 6

The only piece of art on the moon called the fallen astronaut \_\_\_\_\_ sculpture was secretly put there by Apollo 15 in 1971. The sculpture

commemorates all astronauts and cosmonauts who died to advance space \_\_\_\_\_. Though the item was tested and cleared for flight, the upper ranks of NASA management didn't know about the sculpture until after it was already in space.

## FACT 7

Throughout the 60s, NASA astronauts were treated to a pair of new cars \_\_\_\_\_. The idea came from Jim Rassman who owned a Chevrolet Cadillac dealership in Florida and had \_\_\_\_\_ a few astronauts, including Alan Shepard. Most of the astronauts reportedly chose a family car for their wives and a Corvette for themselves.
