

1. Read the passage (Phuc is writing about his friend, Mai). Decide whether the sentences are true (T) or false (F). Circle T or F.

This writing is about my best friend, Mai. We go to the same school and we've been together for three years. Mai is very pretty. She has short black hair and big brown eyes. She is clever and hard-working but she is also very funny. She makes jokes and we all laugh. She loves reading and writing short poems. I like being with her. We often do our homework together and she helps me a lot. I also like her because she knows a lot about astronomy and we can chat about it for hours. At the moment we're making a Space mini book. We're doing a lot of searching on the Internet. This Saturday we're going to the National Museum to take some photos for our project. Then we're watching a new film on the Disney channel together. It's going to be fun!

***Decide if the statements are true or false:**
