Nowadays, it is the most international language in the world. There are several factors that make the English language essential to communication in our current time. First of all, it is the most common foreign language. This means that two people who come from different countries (for example, a Mexican and a Swede) usually use English as a common language to communicate. English is also essential to the field of education. In many countries, children are taught and encouraged to learn English as a second language.
