

# MY SCHOOL

**Talk about your school.**

**You should say:**

1. *What is your school's name?*
2. *Where is your school?*
3. *What does your school have?*
4. *What do students do in your school?*
5. *Do you like your school? Why?*

**Sample answer 1:**

My school is Cat Lam secondary school. It is a small school in Cat Lam commune. My school has 24 classrooms, a computer room, an English room, a laboratory. There are two playgrounds with many green trees and flowers. Students often play sports after school. They also join art clubs and the English club. I like my school very much because it is a modern school.
