Our **New Year** holiday is 15 days long. On the first night we have a big dinner. Every day of the holiday we wear red clothes. This is for good luck. We visit friends and bring them presents. We also give small oranges or cakes.

On **Children's Day** we go to school for three hours and we play games. We bring our favorite foods and eat them together. In the afternoon, we watch shows in the park. At the end of the day we get a special gift from our parents.

On **Grandparents' Day** we want to show our grandparents how much we love them. I give my grandparents a small present. This year, I want to give them flowers. On this day, our grandparents come to school with us. We draw pictures and play games together in class.
