Interview with pop star
TRISTAN DEEVER

Look inside Tristan Deever's musical home!

Tristan: Welcome to my home!

Interviewer: Thank you. So, what's your favourite room?

Tristan: The living room is my favourite room. Look! There's a long **sofa** for me and for my friends. The sofa is colourful – it's lots of different colours. There's a TV and there are music posters on the walls.

Interviewer: And the sofa is on a **rug**.

Tristan: Yes. It's my favourite rug. The rug looks like a guitar. It's cool!

Interviewer: Music is everywhere in your living room.

Tristan: Yes. I love music. Music is my hobby. I've got three guitars. And I've got books about music, too. The books are on a blue **shelf**. I've got a pet fish. His name's Fran. He's in his **fishbowl**, on the table.

Interviewer: Hello Fran!

Tristan: There's a big **light** in my living room.

Interviewer: Your living room is a happy room with lots of colours in it.

Tristan: Yes, it's a happy room and I'm a happy person. And it's a musical room and I'm a musical person.
