

Time Signature

$$\frac{3}{4} = \text{♪ ♪ ♪}$$

3 crotchet beats in a bar

The top number tells you the number of the beat
The bottom number tells you the type of beats

The total value of the notes in a bar should be the same with the top number of the time signature

Example:

$$\frac{3}{4} = \text{♪ ♪}$$

2 + 1

$$\frac{3}{4} = \text{♪ ♪}$$

1 + 2

Fill with the correct number

$$\frac{\square}{4} = \text{♪ ♪ ♫}$$

$$\frac{\square}{4} = \text{♪ ♫}$$

$$\frac{\square}{4} = \text{♪ ♪ ♫}$$

$$\frac{\square}{4} = \text{♪ ♫}$$

$$\frac{\square}{4} = \text{♪ ♫}$$

$$\frac{\square}{4} = \text{♪ ♪ ♫}$$
