

> 4.3 Colourful quilts with shapes

We are going to...

- talk about shapes
- count to 20.

OT 1 Find and count the shapes.

This colourful blanket is called a quilt.

Work in pairs. Look for different shapes in the quilt.

- How many blue rectangles  can you see? _____
- How many red triangles  can you see? _____
- How many red squares  can you see? _____
- How many blue circles  can you see? _____
- How many red shapes   can you see? _____

Language tip

We use **and** to link words and phrases:
blue and green.

OT 2 Read and listen.
