

In the next music lesson we will listen to one old song. It is a very beautiful and soulful song. It is important to understand what this song is about. That's why you have to tell your mates about its content before listening to it. To do this, you have to translate the lyrics of this song. Forget the rhyme, forget the exact word order. Just write a nice text in Estonian that reflects the content of this song. Use any aids you need.

Here's the song -

Oh yes, I'm the great pretender
Pretending I'm doing well
My need is such I pretend too much
I'm lonely but no one can tell

Oh yes, I'm the great pretender
Adrift in a world of my own
I play the game but to my real shame
You've left me to dream all alone

Too real is this feeling of make-believe
Too real when I feel what my heart can't conceal

Oh yes, I'm the great pretender
Just laughing and gay like a clown
I seem to be what I'm not, you see
I'm wearing my heart like a crown
Pretending that you're still around
