Hi guys! Now I am trying to do my homework, but I must say that I am thinking about the next summer holidays.

This is my family, that is my father John, my mother Susan, my little sister Sue and me, Mike. We are going to leave our house in London at the end of July and we are going to go to a camp site by the sea, near Saint Malo in France. First, we are going to do nothing, just lie on the beach, sunbathe, make huge sandcastles, swim, ride our bikes. I was there last year, and I know there can be some wind at times, so I am going to take my new kite with me. I am sure I'm going to meet some new friends in the camp, that is going to be great, maybe we are going to play or go to the beach together. My parents are going to organize big barbecues and invite neighbours after spending the day on the beach, they like meeting new people. We are going to visit Mount Saint Michael. I hope the weather will be nice because there, in Brittany, you never know!! Some days were cold and rainy last year, but I don't mind because it will just be the holidays!!!
