9 Read the text.

Is it better to relax, learn or help others during summer holidays?

We asked three teenagers.

Last year, I went to a summer school in Scotland. We did six hours of lessons each day. Everything was in English. Out of class we played some interesting new sports. We also went hiking in the mountains and saw some cows and a snake! The thing I liked most was learning about Scottish culture. My roommates were Jessica and Giselle. They were kind and didn't make much noise. - Amita
