

10

Read the descriptions and write the types of building.

- 1 I can't imagine living there because it's so dark and cold. Being underground and having no windows must be horrible. _____
- 2 The walls are round, so it's difficult to find furniture that will fit, but it's in a beautiful location on the top of a hill. I suppose it was built there to catch the wind when it was working. _____
- 3 It's outside the city centre, so it's cheaper than using a central location to store your products.
- 4 I've never seen such a magnificent structure. It's taller than any other building in the city and visitors can go there to admire the architecture or to pray.
- 5 We keep the food for the animals here and there's space for the tractor too. _____
- 6 It's quite old now and some of the glass is broken, but I used to grow plants in it in the winter.
