My Field Trip

Sam likes to visit the Adventure Learning Center with his class. They like to see the many animals like the horses, peacocks, turtles, iguanas and baby ducks. It is here that Sam spends most of his time. Sam learns a lot when he visits the center. The puppet show is Sam's favorite. He likes the show because it makes him laugh. The puppet taught him a lot about sharing and fairness when playing with his friends at school. He looks forward to Mrs. Pratt's good cooking too. "It's the best!" shouted Sam. His class enjoys riding the train and walking in the bushes to learn about the different types of trees. Sam can hardly wait to visit there again.

Directions: Read passage carefully then answer the questions.
