## GAP-FILL ACTIVITY

Right, well, here we are, standing at the Meeting Point on the lower ground floor just to the right of the Main (1)\_\_\_\_\_ . I've given you all a plan of the building so that we can orientate ourselves and get an idea of where we'll be going. Now outside the Main Entrance you'll see the wide Piazza with the stunning (2)\_\_\_\_\_ of Newton.

The sculptor was Paolozzi, but it's based on the famous (3)\_\_\_\_\_ by William Blake – and it's definitely worth a closer look. On the other side of the Piazza from the (4)\_\_\_\_\_ is the Conference Centre [16], which is used for all kinds of (5)\_\_\_\_\_ conventions – we'll take a quick look inside at the end of our (6)\_\_\_\_\_ .

Looking ahead of us now, you'll see that we're standing (7)\_\_\_\_\_ the staircase down to the (8)\_\_\_\_\_ where you'll find the cloakroom, and to the left of that, we have the information desk where you can find out about any current (9)\_\_\_\_\_ , the times of the tours and anything you need to know – if you don't have a tour (10)\_\_\_\_\_ . As you can see, on this lower ground floor we also have a bookshop – that's the area over to the left of the main entrance]. You'll be (11)\_\_\_\_\_ - to browse there when we get back to the ground floor.

Now, opposite the main entrance on this floor we have the open (12)\_\_\_\_\_ leading up to the upper ground floor. And at the (13)\_\_\_\_\_ of them, in the middle of the upper ground floor, you can see a kind of glass-sided tower that rises all the way up through the (14)\_\_\_\_\_ and up to the first floor. This is called the King's Library – it's really the heart of the building – it was built to house the (15)\_\_\_\_\_ that was presented to the nation in (16)\_\_\_\_\_ by the King. You can see it from every floor (17)\_\_\_\_\_ ground. When we go up there, you'll find the library's Treasures Gallery on the left. Can you find it on your plan? That's the exciting one, so we'll be visiting that first, but we'll also take a look at the stamp display (18)\_\_\_\_\_ behind it, on the way to the cafe – a lot of people miss that. The Cafeteria runs along the back of the floor and, in the right hand corner, you'll find the (19)\_\_\_\_\_ and toilets... ha, always good to locate them. The other main area on that floor is the Public Access Catalogue (20)\_\_\_\_\_ and I'll show you how that operates when we get up there...
