Twins—the Same ... but Different, Too

Twenty-year-old Jenny and Leonie Bosman have the same birthday, the same parents and the same blue eyes. They're twin sisters.

"Jenny works in an office, and I think her work is important to her, but I don't have a job," says Leonie. "I'm a student. I study about fifteen hours a week. The rest of the time I go out with my friends and listen to music. Jenny likes music, too, but she doesn't go to parties or concerts. She plays the guitar at home."

"These are Jenny's clothes—they're all black and white. Mine are blue and red. These are Jenny's running shoes. She goes running every evening with her boyfriend, Perry. He's a soccer player. I don't like sports at all."

Jenny says, "Leonie's a student, but she doesn't study much. In the evening, she sits at her computer, but she doesn't do any work."
