The Lost Bike

Thomas loved his bright red bike. One day he left it outside when he came in for dinner. When he was done eating he went outside and discovered his bike was missing. Thomas was very upset and started to cry. He looked up and down the street for his bike but he couldn't find it anywhere. He went back home to tell his parents that he lost his bike. When he told his parents the news, his dad told him that he had put the bike in the garage when he came home from work. Thomas was so happy that he jumped up and down! Then he ran to the garage to make sure his beautiful red bike was safe and sound.
