IV. READING: Read the passage

This is our new school for secondary students. There are totally sixty classrooms and five functional rooms. The classrooms are spacious with glass windows. The teachers can use the projector and the big screen in the classroom for their lessons. Besides, there are three normal labs and a computer lab. We have fifty computers in the lab. We also have a good library with books and other resources. There are green trees in the school yard and around so we can sit in the shade during break time. The yard is large and we can have events for the whole school. Our school also welcomes international students. We have a fifty room dormitory where the students can stay and study.

Questions:

1. What is the best name for the passage?
A. Our new school B. Our new computer lab C. Our teachers.
2. Which sentence is TRUE in the passage?
A. The classrooms has glass windows.
B. We don't have a library.
C. The yard is small.
