Hi David, I (0) you're well. It's my brother Tom's birthday (25) month, and I don't know (26) to buy him for a present. Have you got (27) ideas? He's the same age (28) you, and likes the same kind of things. Thanks, Jenny

Hi Jenny, I think I can help you! Why not get Tom a book? I've just read <i>Dragon Teeth</i>, which was written (29) Michael Crichton. He's such a fantastic author! I loved it, and I think (30) brother would like it too. David
