The worst thing about family holidays is the car journey. Nobody can agree on the music! My dad loves listening ¹ to jazz or very old blues music. He ² stands heavy metal, punk or techno. My sister is really ³ into hip hop and rap - she's crazy ⁴ about Snoop Dogg - but my mother doesn't think that's 'real music'. Mum can ⁵ hear the flute and she likes ⁶ listening to classical music. I'm not ⁷ into pop or classical but I ⁸ love listening to old indie bands like The Smiths. I think Morrissey has got an amazing singing ⁹ voice. Mum can't ¹⁰ stand the arguments and says she's going to get everybody an MP3 player. Well I think we can all agree on that!

Choose the correct option (a, b, c, d).

I'm really ¹ into music and listen to it all the time. I like various different ² genres but I ³ love listening to rock and heavy metal. I'm crazy ⁴ about groups like Dimmu Borgir and Slipknot. I can't ⁵ stand pop and dance music and I'm not ⁶ into about soul and jazz either. They're really boring! I haven't got a very good singing ⁷ voice but I can ⁸ hear the drums a bit. I'd like ⁹ to start a rock group with my friends and I'd also ¹⁰ like to learn to play the guitar.
