international migration

temporary migration

seasonal migration

immigrant

emigrant

illegal migration

forced migration

voluntary migration

rural-urban migration

Moving from the
countryside to the city.

Someone who leaves a country
to live somewhere else.

Moving to another country without
permission from the country.

Choosing to move somewhere because
you want to, perhaps for a job.

Moving to another country.

Someone who moves
into a country.

When someone has to move to keep
themselves or their family safe.

Moving to a place for a short
amount of time, before returning.

Moving to a place for a part of the year, perhaps
for the harvest or for the tourist season.

Write 5 push and 5 pull factors:

Push Factors

These are the factors that force people to leave their own country.

Pull Factors

These are the factors that pull migrants towards their new country.
