Hi! My name is Pam. I am a student at Stardust Elementary School. I am in 5th grade. My friends and I are really excited because today is our class teacher, Miss Nelson's birthday. In the morning, Jason and I go shopping to buy some cookies and fruit juice. Alice orders a delicious cake. Mathew pick flowers from the garden and bring them in the class. Karl, April and Sam clean the classroom and decorate it with balloons. They also put the flowers in the vase on the teacher's desk. Dorothy and Patrick make party hats for all of us,

and Celine writes a celebration card. In the afternoon, we come back to school and invite Miss Nelson to our class. When she comes, we start singing "Happy Birthday to you" song. She is really happy.
