

POSSESSIVES!

In English, we can modify an object by placing a possessive adjective and a possessive pronoun. Let's see the differences:

PERSONAL PRONOUN	POSSESSIVE ADJECTIVE	POSSESSIVE PRONOUN
I	MY	MINE

When we want to express possession of an object the uses of both possessives will vary in structure. For example:

1. This is **my** book. 1. That is **your** book.
2. This book is **mine**. 2. That book is **yours**.
