## DESCRIBING OBJECTS:

In English we need to place the ADJECTIVES in a particular order when we describe objects:

OPINION	SIZE	SHAPE	AGE	COLOR	NATIONALITY	MATERIAL
NICE	BIG	ROUNDED	NEW	YELLOW	ARGENTINEAN	PLASTIC
BEAUTIFUL	MEDIUM SIZED	SQUARE	OLD	ORANGE	BRITISH	METALIC
UGLY	SMALL	HEART-SHAPED	TWO-YEARS-OLD	RED	FRENCH	WOODEN

You don't need to use them all at once. You can choose a few but always respecting the order of adjectives given.

## THE BEST GIFT EVER!

My name is Laura and my favorite object is a gift from my mom. I am an art student and I needed a new set of art tools. Last year, my mom gave me an amazing huge new French set of art tools for my birthday. Its tools are: all-size paintbrushes, a perfect rounded yellow wooden palette, some amazing metallic pencil knives, ten all-sized metallic scissors, a compass, and a large variety of watercolors and crayons.

I know my mom saved a lot of her money to buy this gift and I love her! We celebrated my birthday with my sister, my grandmother and my mom's boyfriend. He's like a dad to me and he treats me like his daughter. I made a painting of the family in our living room so we can hang it on the wall.

Write Laura's descriptions of the following objects:
