Life at ESCIPOL

In our school there are always many activities to realize. We get up at 6:00 and at 7:00 we have breakfast at the casino. Classes start at 8:00 and finish at 3:00 PM every day. Sometimes we also must assist to lectures from authorities and professors from our Academy. Last week there was a debate about ethics and the use of force. We know that being a student at ESCIPOL is not an easy job, but we support one another because friendship and teamwork are very important values for being a great detective.
