Every summer, I go hiking with my friends. We always camp in amazing places. It's awesome! We usually go to New Mexico. It's hot there, and it never rains. But this year, we're camping in Alaska, and my dad's here, too! In the winter, there's a lot of snow here. But it's July now, and the weather is good.

Saturday, July 15 ____

Today is the first day, and we're really excited. The weather is hot and sunny, and I'm wearing shorts with my hiking boots. Right now, it's 6 p.m. and we're cooking pasta for dinner. We eat pasta every evening because it's easy to cook!

Tuesday, July 18 ____

It's the fourth day and things aren't good. We're sitting next to the tent, and I'm wearing a hoodie and a hat. You see, it's very cold. We aren't cooking dinner right now. We're chatting by the fire.

Friday, July 21 ____

I'm sad because it's the last day of our trip. It's cloudy, but it isn't raining. We're camping near a river, and we're fishing! This evening, we're cooking a special meal – pasta with fish!
