

## Food Chain

- |  |  |                                   |
|--|--|-----------------------------------|
| <p>1 The grasshopper eats the plants</p> | <p>2 The mouse eats the grasshopper</p>  | <p>3 The snake eats the mouse</p> |
| <p>4 The eagle eats the snake</p>        | <p>5 When the eagle dies, fungi break down the body and turn them into nutrients</p> |                                   |
