

Give a short speech on general topics

- Home is where the heart is. Talk about what home means to you, how it shapes your identity and values, and how it makes you feel. You can also share some stories or memories of your home, or compare and contrast different types of homes around the world.

Give a short speech on general topics

- Stress is a common problem in modern life. List out what causes stress, how it affects your health and well-being, and how to cope with it. You can also share some personal experiences of stress, or some tips or resources that help you manage stress.

Give a short speech on general topics

- Travelling is a great way to learn, explore, and have fun. Tell why you love travelling, where you have been or want to go, and what you have learned from your travels. You should also give some tips or advice on how to travel smart, safe, and cheap.
