

At first I was afraid, I was _____
Kept thinking I _____ without you by my side
But then I _____ so many nights thinking how you did me wrong
And I grew strong
And I _____ how to get along

And so you're back
From outer space
I just walked in to find you here with that sad look upon your face
I _____ that stupid lock, I _____ you leave your key
If I _____ for just one second _____ to bother me

Go on now, go, _____ the door
Just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to hurt me with goodbye?
You think _____?
You think _____ and die?

Oh no, not I, I will survive
Oh, as long as I know how to love, I know I'll _____
I've got all my life to live
And I've got all my love to give and I'll survive
I will survive, hey, hey
