

OMEN

I'm _____ something, something
different

When you left, my _____ changed
I was blinded, I'd not envisioned
The same face in a different _____

It's an omen, caught my baby _____
Saw the silver *****

It _____ be an omen
Needed you to show me, without you I am

My mind would _____ my heart
I didn't pay _____ to the light in the
dark
It left me torn *****
But now I see your _____ are an omen

Oh-oh-oh-oh
Oh-oh-oh
Omen

Oh-oh-oh-oh
Oh-oh-oh
Omen

You were waiting, I was _____
You left before my eyes, then it hit me
You're _____ and I need you by my
side

It's an omen, caught my baby crying
Saw the silver _____
It must be an omen
Needed you to show me, without you I am
lonely

My mind would rule my heart,
I didn't pay attention to the light in the dark
It left me torn _____,
But now I see your tears are an omen
