Every summer Nichole travels to the countryside for a month. She stays at her uncle's farm and helps him. Life is hard there, but she likes it because she loves spending time with her cousin Macy. Every morning she wakes up at six o'clock, first she collects the eggs and feeds the chickens. Then, she has breakfast at 6:30 and after breakfast, she helps her aunt with the housework for an hour. She can't wait to spend time with her cousin Macy. They always have a great time together. They climb trees, pick fruit and flowers. They love being outdoors. They come back home before dark and get ready for dinner. After dinner, they go out and feed the animals. Before they go to bed, they watch TV or read books.
